

DETROIT FOUNDATION HOTEL

EVENTS INFUSED WITH THE UNIQUE SPIRIT OF *Detroit*

Built within the storied walls of the historic Detroit Fire Department Headquarters, the Foundation features the original building facades and massive terracotta archways that once housed fire engines.

Originally completed in 1929, the new hotel has reverently restored and repurposed many of the strong architectural and

decorative finishes. At the same time, Detroit's unique industrial design flows throughout the hotel offering a wonderfully modern aura.

All this creates one of the most distinctive event destinations you'll ever find. With five singular spaces offering unparalleled service and state-of-the-art amenities.

| | SQUARE FOOTAGE | DIMENSIONS | THEATER | CLASSROOM | CRESCENT | CONFERENCE | U-SHAPE | BANQUET ROUNDS | RECEPTION |
